454 SBF Intercooled Twin Turbo Dual Fuel Technology

Yes we heard you. We now have a Warrior Series for the Fords. 2500 HP and 2000 TQ race trim with 1600HP and 1470 TQ in street trim.

Tired of changing valve springs, peeling pistons off with nitrous or killing main bearings with the PSI's. That day is done with this engine. On a average around 10X as reliable. Your only obstacle with this engine is sorting out the chassis. Think about running 4 seasons with out a motor rebuild. It's reality with this one.

WARRIOR SERIES

-----\$52,000
